We are small disadvantaged businesses (SDB) with ample competencies and a strong financial standing. We have proven and established experience supporting clients at a competitive price. WTE is Small Business Administration (SBA) 8(a) certified and the WGS 8(a) is in process. The Wichita and Affiliated Tribes of Anadarko, Oklahoma have developed WGS and WTE as cornerstones of an economic development plan to ensure tribal financial independence. Our contributions improve housing, education, medical coverage, elder care and offer scholarship programs. We recognize that strong communities are built on healthy economic foundations.
