OUR PURPOSE

We are a Native American, Tribally Owned, and Small Disadvantaged Business (SDB). The Wichita and Affiliated Tribes have developed Wichita Tribal Enterprises, LLC (WTE) as part of solid foundation of an economic development plan to enhance the well being of tribal members and support a healthy living environment! WTE's business profits provide college educations for tribal members and rebuild the economic foundations of the communities. The strategy for the success of WGS is one of building long-term partnerships with the best companies and providing solid delivery capabilities to successfully support our customers missions.

BENEFITS OF PARTNERING WITH WICHITA TRIBAL ENTERPRISES, LLC (WTE)

- WTE has established excellent past performance, assuring quality support and service to achieve mission goals!
- Special FAR Treatment for Native American Tribal Owned Companies
- Tribal sole-sourcing is valid contract mechanism (CFR 124.506 (b))
 - Sole-source award cannot be protested
 - Sole-source contract value at \$22M with justification over \$22M
